<p><b>【主題および達成目標】</b></p> <p>This course is designed to be the first part of the AE I &amp; II and is an integrated course of all language skills. It aims to provide students with opportunities to learn and practice academic reading, discussion, presentation and writing skills. Students will be engaged in individual, pair and small groups in various kinds of reading and discussion activities. By using authentic materials, students will get themselves acquainted with original and non-simplified reading materials on a variety of topics or themes selected by both the professor and students. In order to increase students' abilities of coping with reading unfamiliar academic topics and reading within a short period of time, Speed Reading will be introduced. In addition, basic academic reading skills such as understanding vocabulary in context, summarizing, analyzing, synthesizing, interpreting and evaluating will also be covered. Students will also learn how to write a reaction paper, etc.</p>

## 電気通信大学 平成21年度シラバス

### 【教科書等】

None. The course uses authentic materials in English from various sources: newspapers, magazines, textbooks, internet, academic books, etc. Most of the materials will be prepared by the professor, but student. This course is not a lecture-oriented course but a student-centered course. You will be involved in various kinds of group as well as individual work and projects. Cooperative learning is a crucial concept and principle for students to follow. Students will also need to contribute to class reading materials and work at home on various kinds of research and preparation in the forms of homework.

### 【授業内容とその進め方】

This course is an English-only course but allows occasional meaningful use of Japanese in class. Japanese support in class and outside of class by the professor is available upon requests are also given opportunities to bring their own materials to class for discussion and/or presentation.

### 【授業時間外の学習（予習・復習等）】

This course requires students to work outside of class for preparation for projects, presentations and writing assignments.

### 【成績評価方法及び評価基準(最低達成基準を含む)】

This course adopts an accumulative grading system which divides the final grades into percentages. It is important to note that there will NOT be a final test that counts for 100% of your grade.  
授業中の個々の課題の評価点・宿題、授業態度と出席率。注意点：Those students who are absent for two times or more without any official excuses will not be eligible for Grade "S"; Those students who miss over 30% of total classes without any official excuses will fail automatically. Students who miss 2 or more classes without excuses will not be able to get "S" grade.  
Attendance and class performance: 20% ; Reading seminars and tests: 20%; Presentations: 20%; Writing assignments: 20%; Homework: 20%

### 【オフィスアワー：授業相談】

適宜相談に応じるが、電子メールや電話などで事前にアポイントを取ること。質問等は電子メールでも受け付ける。  
必要におじて、クラスの学生と相談の上オフィスアワを指定する事が可能です。  
Essayのためクラス外の個人指導があります。

### 【学生へのメッセージ】

Your attendance and your participation in class activities are two of the most important elements of the course and your achievement. You must try to use English in class all the time. Inappropriate use of Japanese in class will be considered unacceptable behaviors in class and will lead to lower final grade. You are encouraged to ask questions actively in class. In addition, you are expected to make contributions to the class materials and group collaboration for research and group work.
