## 電気通信大学 平成16年度シラバス

### 【授業内容とその進め方】

Students will be engaged in speaking and listening activities individually as well as in groups. Communication amongst students and between students and teachers is enhanced in various types of activities through discussion, debate and presentations.

This is an English-only class. Students are expected to use English in all class activities. But occasional meaningful use of Japanese in class is allowed. Japanese support in class and outside of class by the professor is available upon request.

### 【成績評価方法及び評価基準(最低達成基準を含む)】

This course adopts an accumulative grading system which divides the final grades into percentages. It is important to note that there will NOT be a final test that counts for 100% of your grade.

Attendance: 50%

Class participation: 30%

Discussion and presentations: 20%

However, any students who miss 4 classes WITHOUT any excuses will fail the course automatically. Students who miss 2 or more classes without excuses will not be able to get "S" grade.

### 【オフィスアワー：授業相談】

Office Hour: Tue 3

By email: shi@bunka.uec.ac.jp

By appointment: Other days and hours are possible upon appointment in advance.

### 【学生へのメッセージ】

Your attendance and your participation in class activities are two of the most important elements of the course and your achievement.

You must try to use English in class all the time. Inappropriate use of Japanese in class will be considered unacceptable behaviors in class and will lead to lower final grade.
