電気通信大学 平成16年度シラバス

【授業内容とその進め方】

This class is designed to develop and extend the reading, writing and speaking skills you learned in the spring term. The first half of the course will review different kinds of reading, such as explanation, opinion, research and graphs. The second half of the course will focus on using reading and writing skills to make a spoken presentation. Students will be shown how to organize their language to do this, focussing on how to present a formal spoken argument. Then students will learn basic presentation skills such as vocalizing, eye contact, posture and using visuals. Finally, students will make a presentation on a topic of their choice. The class will be taught in English.

【成績評価方法及び評価基準(最低達成基準を含む)】

The course will be assessed in the following ways:

1. Class attendance
2. Class participation
3. Homework
4. Class assignments
5. Final test

For a student to get a grade of A, you must be excellent in all five areas.

For a student to get a grade of Fail, you must be unsatisfactory in all five areas.
