【前もって履修しておくことが望ましい科目】
English A, B, C or D with a focus on academic reading, writing or discussion.

【教科書等】
None. But students are expected to contribute their own research data and course books currently used in other science classes.

電気通信大学 平成16年度シラバス

【授業内容とその進め方】

In this course, students will be given authentic materials in various science areas and majors relevant to UEC students and study in small groups. Students will also work on a self-selected area or topic and conduct research and presentations on that topic. Cooperative learning in small groups or pairs is highly valued.

【成績評価方法及び評価基準(最低達成基準を含む)】

This course adopts an accumulative grading system which divides the final grades into percentages. It is important to note that there will NOT be a final test that counts for 100% of your grade.

Attendance: 40%

Class participation and contribution: 20%

Presentations: 30%

Small tests and other requirements: 10%

However, any students who miss 4 classes WITHOUT any excuses will fail the course automatically. Students who miss 2 or more classes without excuses will not be able to get "S" grade.

【オフィスアワー：授業相談】

Office Hour: Tue 3

By email: shi@bunka.uec.ac.jp

By appointment: Other days and hours are possible upon appointment in advance.

【学生へのメッセージ】

This course is designed to be an English-only class. However, some Japanese will be allowed in class to suit the needs of the students and class requirements such as translation skills.

Students are expected to make contributions to the class materials and group collaboration for research and group work.
