【授業内容とその進め方】

Class goes in English: you are not allowed to use a language other than English.

It is composed of three processes:

- 1) A quiz or vocabulary check from the textbook mentioned above, e.g. 議会 (C.....)
- 2) To read and discuss an article.
- 3) To listen to and discuss an article.

Let me give you an example. Suppose we read an article on global warming.

First, you are asked to make out what the author thinks of the phenomenon, how she or he justifies her or his conclusion. Then you are encouraged to estimate how far the author's logic or thinking process is reasonable.

I am sure that all those who struggled through "Practice in Reading and Listening A" will find it kind of easy and, what is more, enjoyable to take this course.

【成績評価方法及び評価基準(最低達成基準を含む)】

Exactly the same as in the spring semester version:

- 1 A quiz or vocabulary check (every week): 20%
 - 2 Mid-term exam:20%
 - 3 Term-end exam:20%
 - 4 Activeness in class: 20%
 - 5 Assignments (every week):20%
- * Half of all the tests come from the fixed texts, and the other half reflects your English ability achieved so far.

【オフィスアワー：授業相談】

Fifth period on Wednesday and Friday.

【学生へのメッセージ】

If you will, nothing will be a legend.

This is the phrase from a great Jew, who paved the way for his people to free themselves. I hope you will be able, at the end of the semester, to reach the level of enjoying talks in English with people from the world.

【その他】

I am planning to sometimes invite to class friends from countries such as Sri Lanka and Israel for discussing things freely .
