【主題および達成目標】

Course Description and Objective:

English Oral Communication is a course designed for non-native speakers of English with prior exposure to English. The objective of this course will be to improve the student's ability to increase communication physically and verbally in a relaxed and natural manner, while introducing colloquial English and phrases in frequent use.

【前もって履修しておくべき科目】

【前もって履修しておくことが望ましい科目】

【学生へのメッセージ】

Instructors Message:

My personal goal throughout this course will be to encourage you to improve your oral and non-verbal communication skills to the limit of your individual ability, while also I hope enjoying the opportunity study English together in an interactive environment. I expect that we will all help one another to improve and expand on your current abilities.

This will be your responsibility, to participate to such a degree as to improve your own skills and those of your classmates.

Neil Roy.
