【主題および達成目標】
<p>This course is designed as an introduction to the scientific English genre and academic presentation. It is aimed to teach the basic elements of the English language used for science subjects at lexical (vocabulary) and syntactical (grammar) levels, academic reading skills that assist the critical understanding of reading materials, and academic presentation skills needed for participating in and managing small group discussions, “ zemi ” type of seminars and academic presentations as conferences.</p>

【前もって履修しておくべき科目】
English A, B, C, D, E and F.

【前もって履修しておくことが望ましい科目】
Any English courses that had a communicative focus that had given you experiences with discussion and presentation in English.

【教科書等】
<p>None. But students are expected to contribute their own research data and course books currently used in other science classes. Students will be given authentic materials in various science areas and majors relevant to UEC students and study in small groups. Students will also work on a self-selected area or topic and conduct research and presentations on that topic. Cooperative learning in small groups or pairs is highly valued.</p>

【授業内容とその進め方】

This course is a student-centered course allowing maximized student participation from materials to practical classroom activities under the guidance of the professor. Students are expected to get involved in both in-class as well as out-of-class assignments such as researching, gathering field-specific reading materials, and preparing presentations and discussions. As the cooperative education Students are also expected in Students will also be given the experience of both individual and group presentations.

【成績評価方法及び評価基準(最低達成基準を含む)】

This course adopts an accumulative grading system which divides the final grades into percentages. It is important to note that there will NOT be a final test that counts for 100% of your grade.

授業中の個々の課題の評価点・宿題、授業態度と出席率。注意点：Those students who are absent for two times or more without any official excuses will not be eligible for Grade “ S ” ; Those students who miss over 30% of total classes without any official excuses will fail automatically.

Attendance and class performance: 20%; Presentations: 30%; Reading and writing assignments: 30%; Homework: 20%

【オフィスアワー：授業相談】

適宜相談に応じるが、電子メールや電話などで事前にアポイントを取る。質問等は電子メールでも受け付ける。必要に応じて、クラスの学生と相談の上オフィスアワーを指定する事が可能です。Essayのためクラス外の個人指導があります。

【学生へのメッセージ】

Your attendance and your participation in class activities are two of the most important elements of the course and your achievement. You must try to use English in class all the time. Inappropriate use of Japanese in class will be considered unacceptable behaviors in class and will lead to lower final grade. You are encouraged to ask questions actively in class. In addition, you are expected to make contributions to the class materials and group collaboration for research and group work

【その他】

This class has a class BBS (or using WebClass). Students are required to check the class BBS before every class for class reviews and assignments as well as posting their own homework and communicating with their classmates, TAs and the professor.
