【授業内容とその進め方】

Course Methodology:

Students will individually be required read and study a passage on a given topic. After which that student will plan and give a presentation on the topic to their classmates. The presentation will be followed by question and answer activities with each student finally giving a written opinion and response report to the speaker. The main components of this course are, reading, writing, and presentation skills including audience participation.

【学生へのメッセージ】

Instructors Message:

My personal goal throughout this course will be to encourage you to improve your reading, presentation and oral communication skills to the limit of your individual ability, while also I hope enjoying the opportunity study English together in an interactive environment. I expect that we will all help one another to improve and expand on your current abilities. This will be your responsibility, to participate to such a degree as to improve your own skills and those of your classmates.
