Classification table of class course supported in English language

		Language in lectures and in class		
		A:English only	B:Use both English and Japanese	C:Japanese only
M a t e r i a l s	a: English only	Aa: Explain in English, Use English teaching materials and resources.	Ba: Explain in both English and Japanese, Use English teaching materials and resources.	Ca: Explain in Japanese, Use English materials and resources.
	b: Use both English and Japanese	Ab: Explain in English, Use both English and Japanese teaching materials and resources.	Bb: Explain in both English and Japanese, Use both English and Japanese teaching materials and resources.	Cb: Explain in Japanese, Use both English and Japanese teaching materials and resources.
	c: Japanese only	Ac: Explain in English, Use Japanese teaching materials and resources.	Bc: Explain in both English and Japanese, Use Japanese teaching materials and resources.	Cc: Explain in Japanese, Use Japanese teaching materials and resources.

※Teaching materials and resources include writing on the board.

○Course types supported in English

- Class courses for international students who have difficulty understanding graduate school lectures in Japanese only, or Japanese students with English ability to understand lectures in E
- Class course for Japanese students who have difficulty understanding graduate school lectures in English only, focusing on understanding technical terms and also improving their English language skills.
- Not support in English, in class.
